Thank you to Darragh for resolving the problem with our sun roof. On Holiday in Ireland, a sun roof that couldn't close could have been a disaster, 😊

I was travelling down to Cork today from Kildare for a couple of meetings. The low adblue level alert came up on my dashboard. I had an hour between meetings so decided to drop into Audi Cork at lunchtime to see if they could fill the adblue tank. Ciaran in service couldn't have been more helpful and informative, he informed me how long it was going to take and how much it was going to cost and both estimates were accurate. The invoice was in my inbox 10 minutes after leaving the show room. A pleasure to deal with. Keep up the good work.

Got a puncture yesterday outside Audi cork and had nowhere to go but Audi, even though I don't have an Audi, the guy in service, whose name I never got, was absolutely fantastic and did everything to help but unfortunately they didn't have a tyre to fine...just bring you up to speed, guy who helped me, it took three garages before I found the tyre!!! Thanks again...be back when my father decides to change his Audi
