I was on my way from work last Thursday when I got a puncture. Nearest garage was Audi Cork - they fixed my tyre and got me back in the road - and charged me nothing. Such a nice gesture - and a free coffee too! Thanks so much Audi Cork!

Car in for a service, I was given a brand new car for the day and kept up to date with phone calls throughout the day. Fantastic service

Andrew was exceptional in helping my mom to get her new A6. Even though we were buying the car through a local family garage he treated us like his own. Was very helpful, knowledgeable, patient and even called a week after purchase to check how everything was. Took us for test drives and made us welcome the 2 times we called to see the car and

answered all her questions! Would definitely recommend!  
Cheers,

I had a fantastic experience at Audi Cork with Andrew Oliver and team. I picked up a new A6 and the experience was a delight from start to finish. I got a call a week later just checking in to see if I was happy. This is exemplary customer service. There are closer Audi dealers to me but I will make the trip from Dublin for anything else I need.

I had high expectations and you exceed all of them.

### **January 2018**

Excellent Service. Very professional service team. We had a problem with our vehicle that required main dealer attention and we were on a tight schedule to catch a ferry, so they had no warning we were calling in. The service team fitted us in, sorted out the problem and got us back on the road in under an hour. Complete with coffee while we waited. Excellent customer service, they are highly recommended.

### **October 2017**

I had an outstanding experience with Audi Cork. Indeed I was looking for a newer model to my old 04 car which I was hoping to be trading in. Visiting various different dealers in and around Cork, my friend (another satisfied customer) convinced me to have a look at the Bishopstown Audi dealer. The minute I walked in I was treated with total

professionalism and the service there was second to none. I felt never any different than any other Audi customer and having a pretty old car on my side walking in, was accepted and totally respected. With a great deal on it, I was able to treat myself to a beautiful A4, with a full service history from Audi Ireland to a very acceptable price.

So, Thank You and Well done to all the Audi staff and especially to Shane O'Donoghue, who was my wonderful Sales Rep!

Thank you to Darragh for resolving the problem with our sun roof. On Holiday in Ireland, a sun roof that couldn't close could have been a disaster.

I was travelling down to Cork today from Kildare for a couple of meetings. The low adblue level alert came up on my dashboard. I had an hour between meetings so decided to drop into Audi Cork at lunchtime to see if they could fill the adblue tank. Ciaran in service couldn't have been more helpful and informative, he informed me how long it was going to take and how much it was going to cost and both estimates were accurate. The invoice was in my inbox 10 minutes after leaving the show room. A pleasure to deal with. Keep up the good work
